

YOUR
FOOTBALL
APP

CELEBRATE THE 2020 EUROPEAN CHAMPIONSHIP WITH YOUR CLIENTS. THEY CAN OFFER A UNIQUE APP TO THEIR BUSINESS RELATIONS OR CUSTOMERS THAT COVERS THE WHOLE TOURNAMENT !

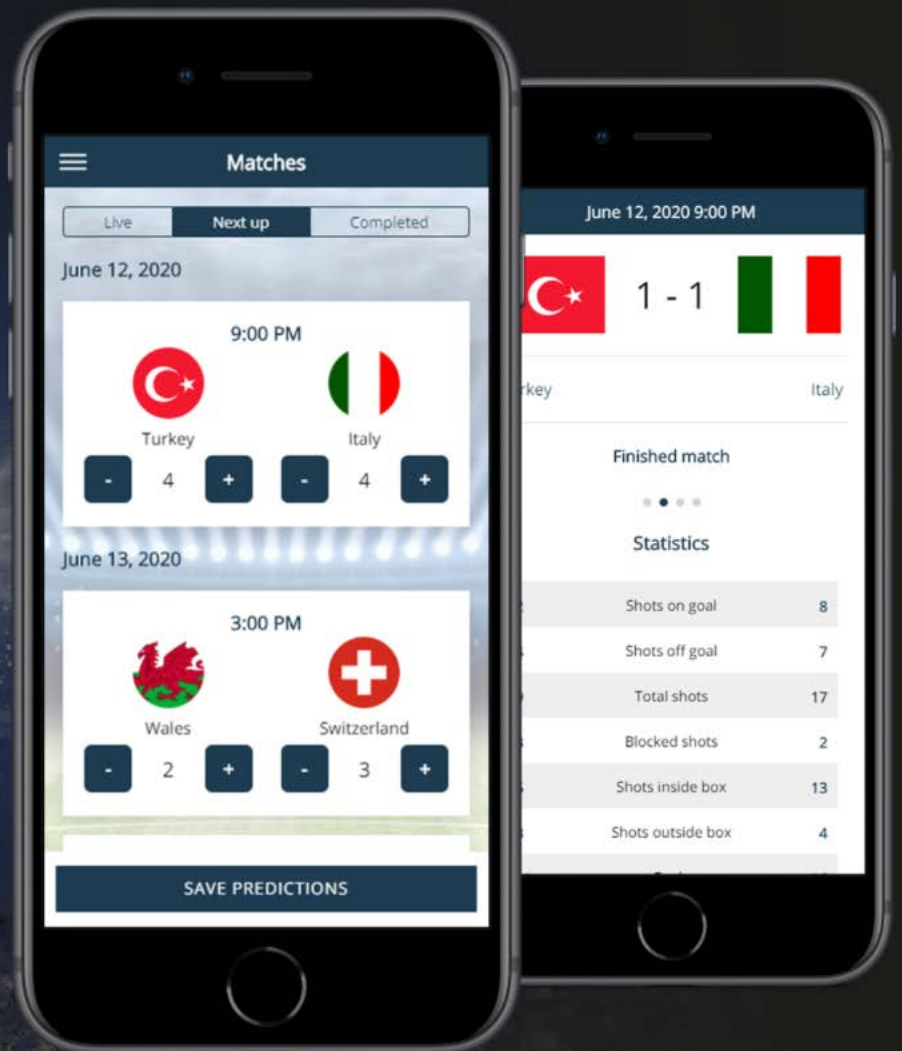

It's slowly starting to tickle. We are on the verge of a beautiful European Championship. Especially after the uncertain and limited freedom as experienced during 2020 there will be more attention than ever before..... People want to know all the time what's happening, wherever they are. The EC2021APP(euro2020) will be their 'personal reporter' on site.

THE EUROPEAN CHAMPIONSHIP 2021(euro2020) PROMOTIONAL GIFT!

The EC2021APP(euro2020) is the perfect gadget giveaway, putting your clients business relations or customers on the edge of their seats. Without a doubt, this will be the 'Best Online Promotional Gift 2021'. Why? Because this App creates a sportive sense of togetherness. Never before your clients could be as close to their business relations and customers as it will be during this upcoming European Championship. All important information about the teams, players, playing schedules, results, news and match stats are conveniently bundled into your EC2021APP(euro2020).

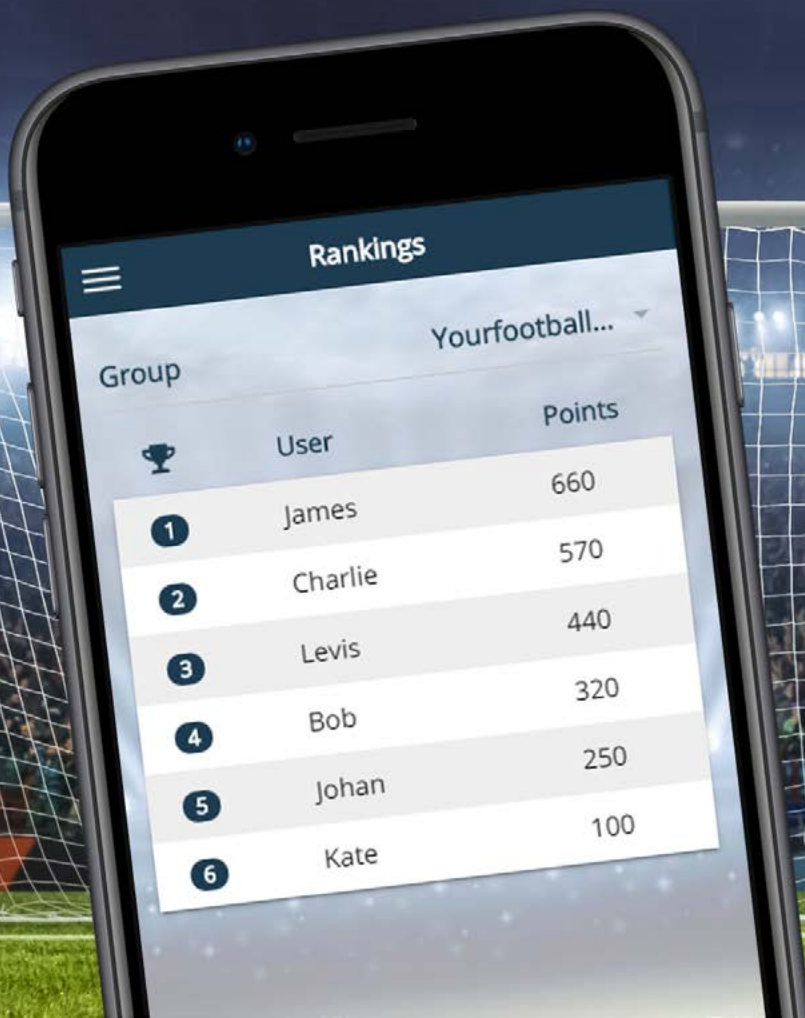

Distribution of the EC2021APP(euro2020) is very simple, because the App is very easy to download in the App store and Google Play Store. Your clients can sent a link or QR-code to their customers and they can get started right away.

YOUR CLIENTS CAN MAKE THEIR BUSINESS RELATIONS OR CUSTOMERS COMPETE IN A GAME AND REWARD THEM WITH VOUCHERS.

The European Championship ec2021(euro2020) app has an integrated game, allowing users to predict scores or winners per match, per group-phase and –in the end- the tournament finals. They can be rewarded for good predictions with vouchers. There is also an overall ranking between users, based on their predictions. Vouchers can be created by your clients as many as they want and in every possible way they want. Action marketing at its finest.

UP TO
DATE

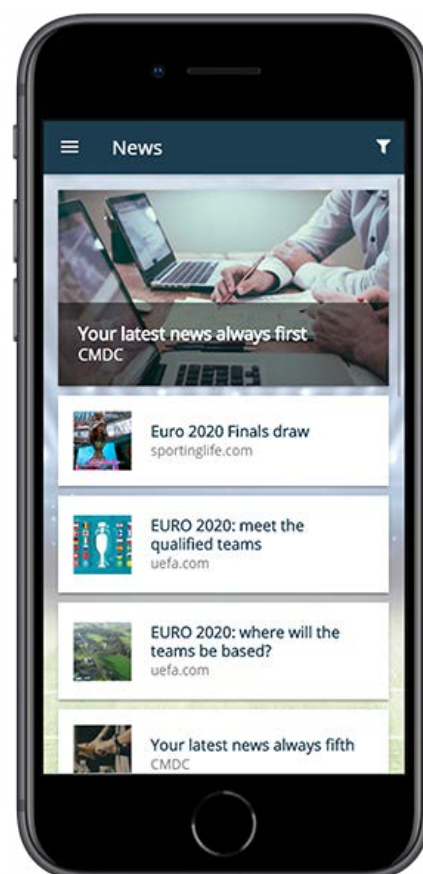

Rankings		
Group	User	Points
1	James	660
2	Charlie	570
3	Levis	440
4	Bob	320
5	Johan	250
6	Kate	100

YOUR CLIENTS' OWN LOOK & FEEL

Because the EC2021APP(euro2020) is a gift to business relations and customers, it must have your client's signature. The high 'gadget value' makes all business relations and customers ambassadors. Your clients' corporate identity is woven into the whole App and their company logo will be shown continuously. The EC2021APP(euro2020) monitors the entire European Championship with the following features:

- Program overview of all matches
- Live results tracking (incl. Yellow/Red Cards etc.)
- Comprehensive LIVE information on match progress
- Line-up by team
- Team information
- Player information
- Overview of the results
- Overview of the ranking
- Team and individual results throughout the tournament
- Predicting match results
- Your clients' own look & feel
- Up to 1,000 users (i.e. registered downloads by QR-scan or other unique code)

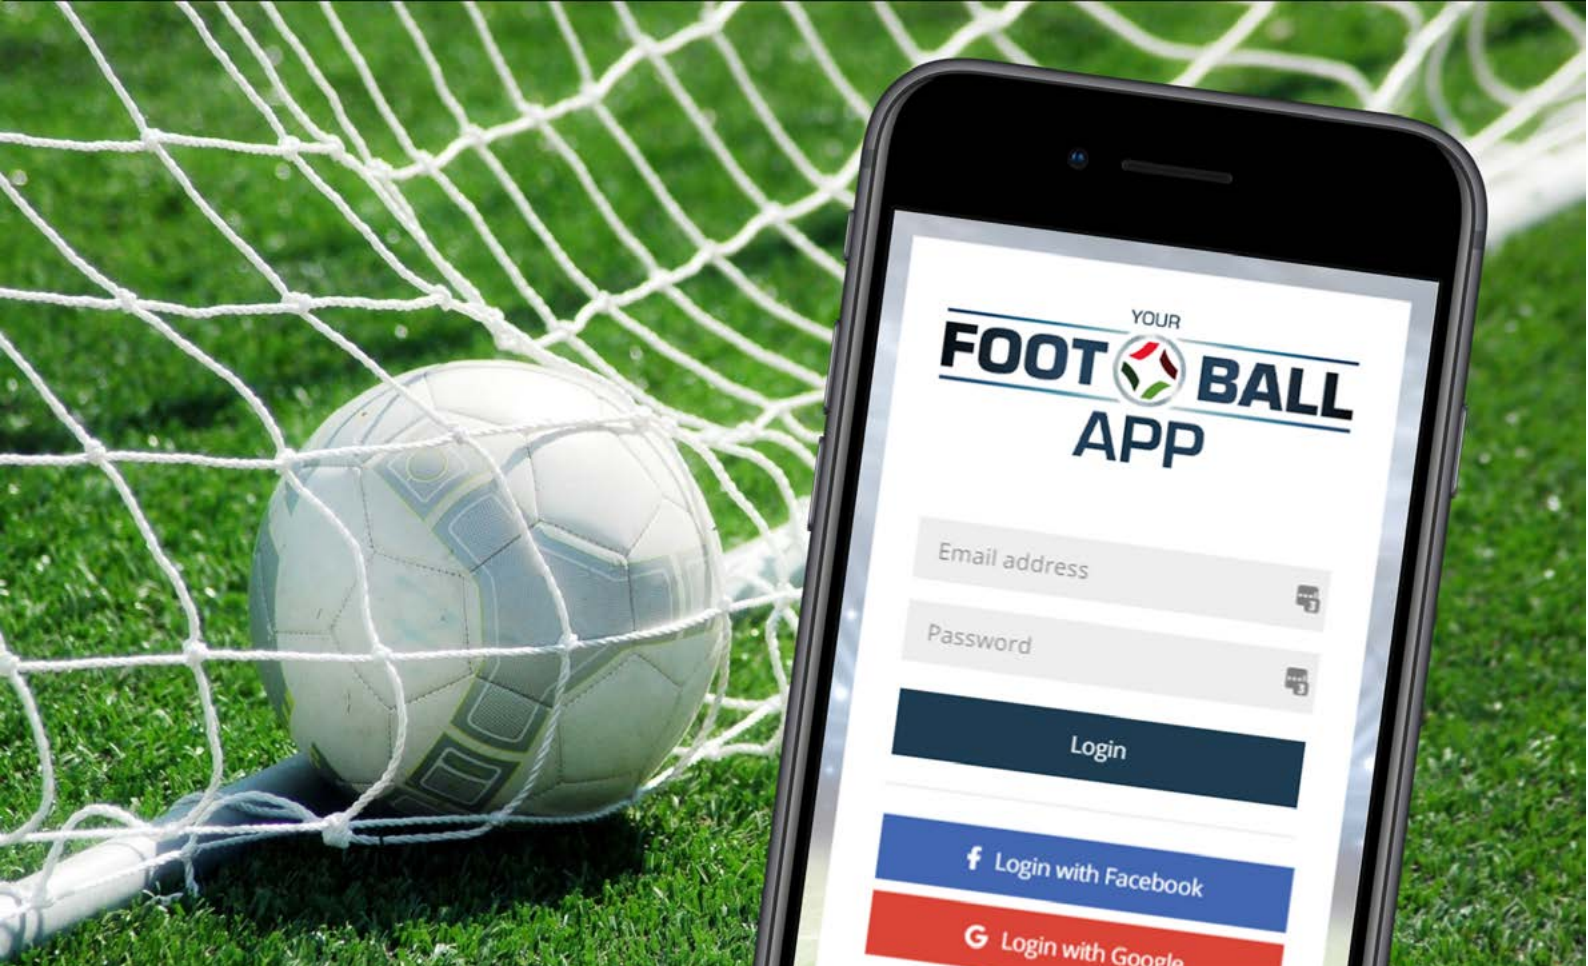

EXTRA's

- Add own news items or ads
- Create push messages at any time
- Send unlimited (gift) vouchers to users
- Get extra users (per badge of 1,000)
- Add extra languages

A football player in a white jersey with red accents is seen from behind, celebrating with arms raised in a stadium. The scene is filled with a shower of confetti, creating a festive and energetic atmosphere. The background shows a blurred crowd and stadium lights.
